Among politicians of national stature today, there is perhaps none more respected as a principled conservative than Rick Santorum. In *It Takes a Family: Conservatism and the Common Good*, Santorum articulates the humane vision that he believes must inform public policy if it is to be effective and just. An appreciation for the civic bonds that unite a community lies at the heart of genuine conservatism.

To understand Santorum’s worldview and vision for America, there is no better source than his New York Times bestselling book, *It Takes a Family*. *It Takes a Family* is one of the most profound and comprehensive books of political thought ever written by a politician. Santorum offers a penetrating look at the social, political, and economic shifts that have hurt American families—and a principled, genuinely conservative plan for reversing this slide.

It Takes a Family: Conservatism and the Common Good By Deacon Ketih Fournier Third Millenium LLC. CBN.com - I will never forget sitting in the Senate chambers in 1996 with other pro-life leaders during a debate on what is called “partial birth abortion”. We all now know what this act entails, the forced pulling of a child down the birth canal, ripped from the sanctuary of first home of the whole human race, her mothers’ womb - just far enough- to the point where her brains can be ...
