As used cars go, the 2007-2011 Toyota Camry remains true to its familial image, only with a bit more style and substance than previous generations. That's because Toyota got a little wild (well, wild for Toyota) with the 2007 redesign, adding a bit more flair to the Camry's exterior and a bit less drab to the interior. In these years, the Camry also sees the addition of a hybrid model that delivers impressive fuel economy while asking for a little more sacrifice, giving up some trunk ...
